EXECUTIVE VICE PRESIDENT AND ACADEMIC DEAN:  
DR. ORA HORN PROUSER

Established in 1956, the Academy for Jewish Religion was the first multi-denominational seminary preparing rabbis and cantors in the Jewish world. AJR's program includes an MA in Jewish Studies, providing a graduate degree where students can learn in a pluralistic environment, preparing them to serve the post-denominational Jewish community. We also run a special program enabling cantors to earn rabbinic ordination. Our teachings respectfully span the full spectrum of Judaism, training rabbis and cantors as equal partners in the spiritual leadership of the Jewish people. Our students come from all walks of Jewish life. Many enter our program with substantial life and career experience. Our graduates and students serve affiliated and non-affiliated congregations in North America and around the world.

The Academy prepares men and women to serve the Jewish community as congregational spiritual leaders, chaplains, educators, and professionals in Jewish social and communal organizations. We welcome, without regard to race, age, gender, identity, or sexual orientation, exceptional students who commit themselves to the highest ideals of devotion to God, Torah, and Israel.

JDC is the world's leading Jewish humanitarian organization, operating in nearly 70 countries and helping hundreds of thousands of Jewish people and others in need. Founded in 1914 to aid Jews at the outset of WWI, JDC carries out its mission in an apolitical, non-partisan fashion that unifies all Jewish community members in the common pursuit of saving Jewish lives and building Jewish life.

JDC has played a major role in almost every major event in Jewish history in the last century, including its aid to Jews before, during, and after the Holocaust, including the rescue of tens of thousands and care for hundreds of thousands of Jewish displaced persons; the founding of the State of Israel; the Aliyah of Jews from Ethiopia and Yemen; and its work deploying the largest Jewish humanitarian effort to care for elderly Jews in post-Soviet States.

Today, JDC aids the world's neediest Jews, tens of thousands of elderly in the former Soviet Union, some living on as little as \$2 a day; revitalizes Jewish life by strengthening communities and leaders in Europe, Africa, and Asia; empowers Israel's most vulnerable citizens through innovative social service programs; and responds to natural disasters and other crises impacting our neighbors.

JDC's work is supported by the Jewish Federations of North America, including UJA-Federation of New York, foundations, and individual donors, whose gifts fuel our mission.

Birthright Israel began with a bold idea – offer a free, life-changing, 10-day trip to Israel to young Jewish adults between the ages of 18 and 26—and in doing so, transform the Jewish future. Founded in 1999 by a remarkable group of committed Jewish philanthropists led by Charles Bronfman and Michael Steinhardt, Birthright Israel aims to strengthen Jewish identity, build a lasting bond with the land and people of Israel, and reinforce the solidarity of Jewish people worldwide.

Birthright Israel Foundation raises the necessary funds each year to support Birthright Israel. Through partnerships with the Government of Israel, the Jewish Federations of North America, the Jewish Agency for Israel and Keren Hayesod, as well as the 35,000+ Birthright Israel Foundation donors each year, we work to ensure that Birthright Israel remains a gift to young Jewish adults for years to come.

To date, over 650,000 young Jewish adults have received the gift of Birthright Israel.

EXECUTIVE DIRECTOR: RABBI ANDREW SCHULTZ

In keeping with the Jewish tradition to honor the dead, CAJAC represents the organized Jewish community's consolidated efforts to preserve Jewish cemeteries and to create permanent solutions for ensuring their long-term sustainability. Through a collaboration of volunteers, community leaders and local agencies, CAJAC actively addresses the decline of Jewish cemeteries, frequently spearheading rehabilitation efforts to restore dignity and respect to distressed burial grounds.

### **CAJAC's Core Objectives**

- Partner with the broader Jewish community to support and sustain a centralized model of cemetery management, through creating economies of scale and systems for sound fiscal management.
- Provide day-to-day management and oversight of Jewish cemeteries, in accordance with best practices.
- Raise awareness within the broader Jewish community about the vitality of Jewish cemeteries and their systemic challenges.
- Emphasize education and volunteerism as the primary vehicles to make *kavod ha-met*, respect for the deceased, a core concern to all Jewish people.
- Provide guidance, resources, and training to Jewish organizations who manage and/or operate Jewish cemeteries. This includes synagogues, burial societies, and cemetery administrators.
- Rehabilitate abandoned and distressed Jewish cemeteries.
- Maintain liaison relationships with relevant governmental and regulatory authorities. These relationships will serve as the Jewish community's principal resource, and the secular community's key partner, in securing the future of Jewish cemeteries.

The strength of the Israel Defense Forces (IDF), which has been guarding the State of Israel since it declared independence in 1948, derives from the selfless determination and great capabilities of the young men and women who form it.

At the age of 18, these courageous young people join the IDF, promising to uphold the difficult tasks of defending the State of Israel and guaranteeing the safety of those who reside within its borders. The responsibility of the Israeli government is to prepare and train these soldiers and provide them with the necessary tools. The Friends of the Israel Defense Forces (FIDF) has assumed the responsibility of providing these soldiers with love and support in an effort to ease the burden they carry on behalf of the Jewish community worldwide.

In 1950, the Association for the Wellbeing of Israel's Soldiers was established by David Ben-Gurion as an independent, non-profit organization, and in 1981, the Friends of the Israel Defense Forces was created as the American partner of the Association for the Wellbeing of Israel's Soldiers. FIDF was founded as a tax-exempt organization with the mission of providing and supporting social, educational, cultural, and recreational programs and facilities for the young men and women soldiers of Israel who defend the Jewish homeland. It also offers these services to the widows and children of fallen soldiers.

The FIDF operates through 20 chapters around the United States and Panama, located close to large Jewish communities. Thanks to an expanding donor base and exceptional generosity, the FIDF has experienced unprecedented growth over the last few years.

The support of the FIDF is provided to soldiers and their families through a variety of unique and innovative programs. Employing these different programs means that money is usually raised for a specific initiative. This approach was designed to allow donors to feel their impact and its direct result on soldiers and the lives of their families. The FIDF also sends missions to Israel, giving donors the opportunity to visit bases, meet with soldiers, and tour the country.

The Hebrew Institute is an inspiring center of White Plains Jewish communal life for those who seek a warm, supportive, refreshingly open, people loving, G-d serving, menshlech, Modern Orthodox community –and one which helps its members be that way too.

We pride ourselves on the diversity of our community: diversity among the young and old, men and women, those with a rich Jewish background, and those new to observance. We welcome the perspective and wealth of experience that such diversity brings to our shul. And through all this, we endeavor always to deepen our lives through tefillah (prayer), limud (Torah study) and (shmirat hamitzvot) observance; through music, and through communal life and social action both within and beyond our community.

J Street is the political home for pro-Israel, pro-peace Americans.

J Street is the political home for pro-Israel, pro-peace Americans fighting for the future of Israel as the democratic homeland of the Jewish people. We believe that Israel's Jewish and democratic character depend on a two-state solution, resulting in a Palestinian state living alongside Israel in peace and security.

Rooted in our commitment to Jewish and democratic values, J Street is redefining what it means to be pro-Israel in America. We are changing the U.S. political dynamics around Israel by mobilizing broad support for a two-state solution because it's in Israel's and America's interest. And we are expanding support for Israel by affirming — along with many Israelis — that being pro-Israel doesn't require supporting every policy of its government.

We have the responsibility to fix the broken politics in America around Israel. Only with your help can J Street succeed in our fight for the future of Israel as the Jewish and democratic homeland. J Street Westchester is the local arm of J Street in Westchester County.

J Street Westchester's effectiveness is based solely on the effectiveness of leaders and volunteers like you.

**JEWISH NATIONAL FUND (JNF)** began in 1901 as a dream and vision to reestablish a homeland in Israel for Jewish people everywhere. Jews the world over collected coins in iconic JNF Blue Boxes, purchasing land and planting trees until ultimately, their dream of a Jewish homeland was a reality. JNF gives all generations of Jews a unique voice in building a prosperous future for the land of Israel and its people.

JNF embodies both heart and action; our work is varied in scope but singular in benefit. We strive to bring an enhanced quality of life to all of Israel's residents, and translate these advancements to the world beyond. JNF is greening the desert with millions of trees, building thousands of parks, creating new communities and cities for generations of Israelis to call home, bolstering Israel's water supply, helping develop innovative arid-agriculture techniques, and educating both young and old about the founding and importance of Israel and Zionism. **JNF is a registered 501(c)(3) organization and United Nations NGO, which continuously earns top ratings from charity overseers.**

RABBI: LEVI WELTON

This congregation is in the midst of a revival of spirit in its programs, activities and growth. In the past several years, new families have joined our congregation. Our services are vibrant, filled with song and joy, and our learning programs and social activities are dynamic and unequalled. With the guidance and leadership of our new Rabbi Levi Welton, LPJC will be scheduling monthly speakers and programs discussing varied topics on Judaism and our relationship with the Yonkers and Westchester community.

The congregation has built an Eruv in the Lincoln Park area of Yonkers, which has prompted Jewish families to rediscover this lovely, crime-free, family-oriented residential area of Yonkers, and calling it Hamakom (Home). Our congregation is diverse in its racial, ethnic and socio-economic backgrounds, and we include all levels of observance and Jewish knowledge. For this reason, we have been referred to as “an un-orthodox congregation.” We are proud of the “heimishe” and welcoming spirit we have created thus far and look forward to welcoming you, as well!

There is a strong family orientation in a multi-cultural and multi-lingual environment. There are a number of classes given by our rabbi who was knighted by the King of Spain. Ashkenazi members are well integrated into the community, which is Westchester's only Sephardic Synagogue. Youth programs are on Shabbat morning. Classes are given in Mishna (Monday), Humash (Friday morning) and Talmud (Saturday afternoon). There is also a teen room. The sanctuary has been refurnished to recall the Sephardic synagogues of old.

RABBINIC LEADER: SOLOMON HOFFMAN

Our mission at Mishkan Ha'am is to create a warm, joyful, collaborative community within a framework of Reconstructionist Judaism.

Mishkan Ha'am welcomes everyone who wants to share in what we offer, including people of any age, race, ethnicity, sexual orientation and gender identity, as individuals or in families of all configurations. Full participation is open to members of interfaith households, those with longstanding Jewish practice or no previous Jewish affiliation, and those certain of, questioning, or disbelieving in the existence of a divine presence. We know that diversity strengthens our community.

As a Reconstructionist community, Mishkan Ha'am integrates a deep respect for traditional Judaism with an active exploration of it in light of our own time. We believe in embracing tradition—rituals and ceremonies that link us to our predecessors and to other Jews—while wrestling with Jewish teachings and practices to find meaning and make choices and adaptations that allow them to evolve.

About half of our members live in southern Westchester County and half live in the Riverdale/Kingsbridge area of the Bronx. Our ongoing programs take place at our mishkan, located at 18 Farragut Avenue in Hastings-on-Hudson (within the First Reformed Church of Hastings). We also offer programs via zoom.

Led by Rabbinic Leader Solomon Hoffman, a student at the Reconstructionist Rabbinical College, we typically come together several weekends each month for creative and meaningful services and cultural, spiritual, and educational programs for adults and children. We also gather as a community to celebrate the Jewish High Holidays and life cycle events. Our services and programs reflect the voices and interests of Mishkan Ha'am's community members of all ages.

She'arim/Gateways, our innovative approach to Hebrew School, meets weekly and offers classes for children ranging in age from kindergarten to seventh grade. During the year in which families approach Bar/Bat Mitzvah, parents and young people together share in a unique group exploration in preparation for the milestone event.

Our Adult education program includes seminars, "brunch and learns," in-depth Torah study, a Jewish/Israel-themed book group and interesting and sometimes difficult conversations. Topics are generated by our members in accordance with their interests. Our community comes together to undertake Tikkun Olam/Social action efforts to address local and more distant needs.

**Moving Traditions** inspires Jewish youth of all genders to pursue personal wholeness, healthy relationships, and a just, equitable, and inclusive world.

As such, our programs and activities integrate aspects of the following key elements: Social-emotional learning; A Jewish values and wisdom framework; An intersectional feminist approach; Comprehensive sexuality education; Cultural and political learning.

Our field-tested programs include:

**B-Mitzvah Family Education** for 6/7<sup>th</sup> grade and their families. Moving Traditions' approach to preteen Jewish family education inspires connection to Jewish community by centering on human development and the parent-child relationship.

Our B-Mitzvah program enables clergy and Jewish educators in more than 100 communities to help preteens and families navigate this life stage by addressing the joys and challenges of becoming and parenting a teen.

**Rosh Hodesh (girls), Shevet (boys)** begin in 8th grade, providing teens safe space for connection, activities and exploration of what is happening in their lives. Through a lens of Jewish wisdom and values teens experience the support of Jewish community as a positive guiding force. Groups meet monthly for two -hour gatherings in small single-gender, single-grade groups, led by Moving Traditions adult mentors.

**Tzelem** also provides a safe, space for trans, nonbinary, and gender questioning Jewish teens to explore the same issues while led by a trained Jewish adult. We now have two groups for transgender/nonbinary/gender nonconforming teens and an LGBTQ+ group.

**Kulam** is our new all gender teen program. Our new Kulam program equips Jewish teens of all genders to engage in dynamic and authentic conversations in order to think reflectively, act courageously, and develop healthy, honest relationships. In this program, Jewish teens ask big questions about where, why and how they belong while exploring issues of identity, equity, and justice.

**Kol Koleinu** is our teen feminist fellowship for all genders. In collaboration with NFTY and USY, these Jewish feminists explore and deepen their feminist knowledge, channel their voices to share their beliefs and use their skills to create tangible change in their communities.

Since 2005, Moving Traditions has impacted more than 19,000 teens nationwide and trained over 1900 Group Leaders to mentor and guide teens in the Jewish community.

Comprehensive evaluation of our programs tells us that teens who experience our programs, are more self-confident, more Jewishly connected and empowered to be authentic.

The New Israel Fund (NIF) is the leading organization advancing democracy and equality for all Israelis. We believe that Israel can live up to its founders' vision of a state that ensures complete equality of social and political rights to all its inhabitants, without regard to religion, race, gender or national identity.

Widely credited with building Israel's progressive civil society from scratch, we have provided over \$300 million to more than 900 cutting-edge organizations since our inception. And we are more than a funder; NIF is at philanthropy's cutting edge thanks in large part to Shatil, the New Israel Fund Initiative for Social Change. Shatil provides NIF grantees and other social change organizations with hands-on assistance, including training, resources and workshops on various aspects of nonprofit management. Today, NIF/ Shatil is a leading advocate for democratic values, builds coalitions, empowers activists and often takes the initiative in setting the public agenda.

Our values drive our work. We fight inequality, injustice and extremism because we understand that justice is the precondition for a successful democracy — and the only lasting road to peace. The New Israel Fund's founders wanted to connect with Israel in a way that reflected their progressive values, and thousands of Israelis and Diaspora Jews have joined with us for that reason. Our supporters love Israel, and see it clearly as striving for an ideal not yet attained.

Celebrating important aspects of Jewish culture, values and tradition – these books turn snugly bedtime moments into Jewish moments.

A program of the Harold Grinspoon Foundation (HGF), PJ Library is made possible through partnerships with local philanthropists and Jewish organizations. Together HGF and local partners send PJ Library books directly to children with no subscription cost to their families.

More than just great Jewish books, PJ Library is a Jewish family engagement program implemented on a local level throughout North America. Dozens of Westchester synagogues and Jewish agencies partner with PJ Library for family engagement support. PJ Library books spark meaningful dialogue in the home, and PJ Library partners continue the conversation in the broader community by providing opportunities for families to engage in beyond-the-books programs. Our mission is to ensure that every member of the Jewish community receives a dignified and respectful Jewish funeral; to lower the high cost of funerals by eliminating the profit motive and commercialism so often associated with the funeral industry; and to provide appropriate connections to Jewish communal resources that the bereaved may need to cope with emotional or practical problems.

Shaarei Tikvah is a friendly, vibrant congregation with an active, engaged membership. The only synagogue in Scarsdale affiliated with the Conservative movement, we warmly welcome Jews of all backgrounds, levels of observance, and sexual orientation. We welcome intermarried couples, incorporating both partners into our community life. Our smaller size fosters an intimacy not found in larger shuls. It's easy to get involved, build relationships with clergy and staff and form friendships across generations.

Shaarei Tikvah offers a dynamic religious school and a roster of activities for teens, families and adults. Participate in religious services (we're fully egalitarian). Attend a class or Lunch & Learn. Join our Purim spiel cast. Chop vegetables at a Cooking Day for the hungry. Play softball or enjoy "Vodka and Latkes" with friends. No one goes away hungry from Shaarei Tikvah, especially from our weekly Shabbat Kiddush.

We welcome new people, new ideas and new ways of making our services more meaningful. Rabbi Baldachin, Rachel Mann, our Education Director and Robin Goldberg, our Executive Director, are happy to meet with prospective members. Call the office for an appointment. Sinai Free Synagogue - the small community with a big heart.

Jewish Tradition teaches us that we are not in the world alone. Sinai Free Synagogue, a Reform Jewish community, embraces this value by nurturing a vibrant Jewish identity through Torah, worship, loving deeds, cultural and religious education, and by fostering a love of Israel. We believe that the uniqueness of Sinai Free Synagogue comes from our diversity, one of our greatest assets. Our congregation is comprised of members living in over three dozen localities in the tri-state area alone, serving the surrounding communities of Pelham, Scarsdale, Bronxville, Tuckahoe, Eastchester, Yonkers, and the Northern Bronx. Our interactive zoom programming has enabled us to expand our reach beyond our local communities. We are multigenerational, interfaith, and interracial, and we are welcoming to all lifestyle choices. There is a great sense of family, a true sense of being connected to the values that help us live Jewishly. We are eager to share our rich Jewish history and culture, and we strive to make every individual feel welcome and at ease in our congregation whether they participate in person or on zoom.

Temple Beth Abraham is fully egalitarian and functions under the philosophy that Jews have too much in common to allow a desire to pray in a certain way from preventing the creation of one synagogue community. Families of every configuration and singles are welcome. Although affiliated with the Reform movement, Temple Beth Abraham holds Shabbat and Holiday services in both Reform and Conservative modes in separate sacred spaces. The energy that results permeates all activities, from an innovative Religious School to a communal commitment to social justice. Temple Beth Abraham was the first Temple in Westchester County to replace the traditional model of dues payments with a system of voluntary contributions. Each family decides the level at which they support TBA rather than paying according to a fixed scale of costs for membership. Space may be rented for events.

Since 2006, Tzahal Shalom of Northern Westchester has been welcoming a delegation of 7 active-duty combat officers and reservists from the Israeli Defense Forces. Their mission is to connect with our community, to bring a bit of Israel into our homes, and to meet with seniors, adults, college students, teens and children. These IDF officers/reservists come from different military branches and are chosen for their bravery, their stories, and their ability to communicate in English.

During their 10 day stay in Northern Westchester, they begin to understand the support they have from our community and return to Israel with a renewed spirit and great pride! In return, we get the gift of their presence and build relationships with these special individuals.

Soldiers/reservists are housed by host families in our community. They also have a 'buddy' family that is involved with them during their stay. There is a multitude of ways for the community to get involved: host a dinner, host a parlor meeting, drive, attend outings, or join a committee.

While in our community, our guests attend various synagogue and community events as well as sightseeing in New York. They travel to West Point, go to the UN, see the Statue of Liberty, take in a Broadway show, and more. Tzahal Shalom is a much-anticipated program that is embraced by the Northern Westchester community each year!

The Metropolitan New York District (METNY) of the United Synagogue of Conservative Judaism (USCJ) represents and serves the needs of nearly 100 affiliated Conservative congregations in the greater New York area. We offer programs and services which include: youth (USY and Kadima); leadership development (Sulam); educational support for early childhood and supplemental religious schools; senior (HAZAK), family engagement, interfaith and inclusion programming; as well as resources for membership, fundraising, staff placement and many other aspects of synagogue life. METNY holds regular meetings and board training for synagogue presidents and officers, as well as special conferences for synagogue leadership, professionals and spiritual leaders.

### **About USCJ - Our Mission**

We strengthen kehillot - Jewish communities inside and outside the walls of a synagogue. We are the network that ensures there are thriving centers of Jewish practice across North America, Israel, and beyond that celebrate both tradition and contemporary life. Together, we demonstrate what an authentic and dynamic Judaism looks like, inspire people to be a part of it, and advance its critical role in the world.

Our “haimish” and supportive Jewish community is a meeting place for secular Jews and their families. We celebrate and explore our Jewish identity through thoughtful, creative and questioning engagement with Jewish traditions, ethics, and culture. Our members share a fundamental belief in the power of human reason and responsibility rather than supernatural authority. Activities include celebrations of major Jewish holidays, Shabbat meals, monthly presentations by experts on issues of Jewish concern, member-led study groups, and attendance at films, concerts, lectures and other events, locally and in the metropolitan New York area. Our members come from all over the county and reflect diverse Jewish backgrounds. We welcome interfaith families, unaffiliated Jews, and others seeking an inclusive secular Jewish community.

Westchester Jewish Coalition for Immigration (WJCI) is a non-partisan organization that envisions the United States as a place where refugees, asylum seekers, and other immigrants can live in safety with dignity. We convene both the Jewish and interfaith community to act in support of immigration by:

1. Advocating for policies that protect and safeguard immigrants, both locally and nationally, through communication and relationships with local and national legislators;
2. Engaging in learning and dialogue about issues impacting immigration
3. Connecting with key partners to provide social action and volunteer opportunities that support local immigrants.

WJCI offers its 200+ members, who come from nearly 40 of Westchester's synagogues, opportunities to advocate in support of immigration by taking critical actions, which are strengthened through significant partnerships, outreach, and education.

We are hundreds of individuals and families, all interested in making Judaism exciting and meaningful for ourselves and those we love. Each year, we offer a wide variety of adult and family Shabbat worship, educational events, social justice activities for young and old, cultural activities, social events, holiday programming, and much more. We believe that an understanding of and an appreciation for differences – age, color, disability, sex, race, ethnicity, national origin, religion, sexual orientation, gender identity and expression – lead to healthy and inclusive communities. We believe that by respecting all people and hearing all voices - by celebrating our shared humanity – we make better decisions for ourselves and for the communities we serve. Woodlands Community Temple is a warm, welcoming, diverse and egalitarian Reform Jewish congregation. We take a progressive approach to Jewish life, integrating a deep respect for traditional Judaism with the insights of contemporary life.
